Winter field Day

Our first Winter Field Day that I know of, at least in recent time. I think we had a great turn out, wasn't sure how many would participate but we had a great turn out. Held at our house in North Mims, we setup in my open field with the TARC Trailer and antenna trailer, and we had several members bring their own equipment and antennas.

Members Barry Kennedy N4NMF and Marty Grove KJ4LPX had their own contest going to see who could get the most contacts, both did very good. We are still calculating total contacts to see how we did over all.

Burgers and Pizza were the menu for the weekend and I don't think anyone went hungry.

We relaxed around a bon fire Saturday night and roasted marshmallows.
